

KING EDWARD MEDICAL UNIVERSITY
Nelagumbad, Anarkali, Lahore.

REF No:- 248/AR(SS)/KEMU.

NOTICE

Prime Minister's Green Pakistan Program is initiated on the pattern of "Great Green Wall Programme" of China which will target to add 100 Million new plants over next five years all over the country.

Students are insisted to donate as many plants as they can to add their share in this noble initiative and help increase green cover around Patyala Block (Old Campus), and particularly New Campus, Muridkay. A list of trees, shrubs, climbers and ground covers is displayed for the convenience of students.

Contributions in the shape of trees and plants shall only be accepted and may directly be submitted to Head Mali, KEMU. Moreover, students can report to the undersigned in case of any problem in submission.

ALEENA KHALID SANDHU
